The Mission of Mennonite Heritage Village is to "To preserve and exhibit, for present and future generations, the experience and the story of the Russian Mennonites and their contributions to Manitoba." Part and parcel of preserving and exhibiting history is education of younger generations whose life experiences are far removed from these stories. A rich understanding of our heritage can strengthen individuals and communities as they process and understand how and why it is that we happen to be here today.

Our Vision Statement says "Mennonite Heritage Village will be the premier international interpretive centre for the Russian Mennonite story." As such, we attract visitors from across North America and around the world. Not only do these visitors experience the story of our Mennonite heritage, many of them also become tourists in Manitoba, enjoying a variety of destinations and services.
